

Appalachian Voice

Appalachian Voice is a thrilling and disarmingly honest collection of ten stories, featuring a linguistic mix of southern voices. Authors draw from personal experiences, rendering an amalgamation of universal themes: desire, split families, addiction, illness, war, and death which offers an astute, thorough, and engaging view through storytellers singing with Appalachian inflection. Notable Appalachian authors include Laurie Jean Cannady, G. C. Compton, Dennis McHale, Deana Nantz, Shannon Ralph, Tom Sheehan, John Sparks, John Vanderslice, and Brian Wamsley.
