

## Around the World in Eighty Days (World Classics) (Chinese Edition)

Around the World in Eighty Days is a fascinating novel by Jules Verne in a lively style with a sense of humor. In the novel Mr. Fogg, an Englishman had a bet with his friend, and overcame difficulties and travelled around the world in eighty days. The book describes in detail the strange experiences and hardships Mr. Fogg and his partners encountered and it also demonstrates the characters in-depth personality. Mr. Fogg was quiet, witty, brave and full of humanity; his servant lively and impulsive. After the book was published, it caused a sensation, and was reprinted several times. In 1874, the book was adapted into a screenplay by the author himself, and it was also very popular.
