

## David Copperfield

This book traces the life of David Copperfield from childhood to maturity. David is born in Blunderston near Gt Yarmouth, Norfolk, England in 1820. David's father had died six months before he was born, and seven years later, his mother re-marries Mr. Edward Murdstone. David is given good reason to dislike his stepfather and has similar feelings for Mr Murdstone's sister Jane, who moves into the house soon afterwards. Mr Murdstone thrashes David for falling behind with his studies. Following one of these thrashings, David bites him and soon afterwards is sent away to a boarding school, Salem House, with a ruthless headmaster, Mr. Creakle. Here he befriends James Steerforth and Tommy Traddles, both of whom become significant later on in the novel.
