

Fulfillment

In rivalry and in love a legend lives on. . . Diandra Casey and Greg York had been rivals since childhood- and now, although forced to work together, they compete for control of the legacy founded by their grandfathers. They dislike each other, but it's undeniably a rivalry tinged with desire. The Caseys and the Yorks share a history laced with bitterness, but they also share one of love. And as Diandra and Greg work to untangle their past, the hostile atmosphere suddenly becomes charged with something quite different- something hot and blazing, primal and eternal. A legend they're powerless to deny.
