

June Bug (The Murder-By-Month Mysteries)

Mira James never imagined life after college would be a doublewide trailer outside Battle Lake, Minnesota. Then again, maybe the North Country has more to offer than mosquitoes and broasted chicken. Local legend claims that a diamond necklace was lost nearly a century ago in Whiskey Lake, not far from the present day Shangri-La resort. Mira, a part-time reporter, goes fishing for the story behind the legend, but her dives turn up more than missing jewelry. Buoyed by frozen Nut Goodies and a diminutive circus performer, the exhilarating search leads to a new mystery to unravel, and puts her face to face with the surfacing of a menacing foe from her past.
