

## Larry

Between 1975 and 1978, Larry Pigface Travers terrorised Camp Diamond Creek, killing more than a hundred horny, stoned teens, hacking them to death with his axe (the machete was already taken by some hockey guy over in New Jersey), and making a general nuisance of himself. Life couldn't have been better for a psycho slasher. But in '78, after being outwitted by that year's final girl, Pigface found himself trapped (and a little bit on fire). Presumed dead, Larry Travers disappeared, but his legend lived on. It's 2014. Now living in the woods with his overbearing - and slightly antique - mother, Larry's old enough to play bingo and enjoy jigsaw puzzles without feeling guilty. But the urge to kill has returned, and Larry thinks he still has what it takes to be a homicidal lunatic. Pigface is back. Trouble is, he's not as young as he used to be...
