

Les Essais (French Edition)

Textes choisis. Montaigne annonce que Les Essais traiteront avant tout de son temperament, de ses pensees et de ses actions. Je suis moi-meme la matiere de mon livre, dit-il dans sa preface au lecteur. Par le travail reflexif de lecriture, Montaigne parvient a se connaitre et a etablir une morale, une sagesse applicable non seulement a lui, mais a lensemble des hommes. Lobjectif de Montaigne nest donc pas de composer son autobiographie, mais deriger une philosophie de vie pour son siecle.
