

More, More, More!

How do you like it? Some men like it super-sized, and readers will love this print collection of big, beautiful heroines who prove love has no size limit! Daringly Delicious by Leigh Ellwood: When it comes to chocolate, Tish Richmond delivers the goods. Her home business, Tish's Dishes, is booming, and a new contract with Dareville's popular grocery store allows her the opportunity to expand her reach. Happy as she should be for the exposure, Tish longs to stop her waistline from expanding further so love can reach her. Gorgeous Vinnie comes to Dareville to work for his uncle's limousine company. One look at Tish and he's struck by the sexy, voluptuous entrepreneur. Can he convince Tish that the size of her dishes don't matter to him, and will she let him satisfy his sweet tooth? Christmas Cake by Victoria Blisse: Sweet and spicy, and that's just the cake! The festive season is in full swing but Emily hates it and just wants it over as quickly as possible. Jim finds out why and shares his Christmas with her and she uncovers her Christmas Spirit as she rediscovers her lust and sexuality. Also includes Diet Another Day by Sammie Jo Moresca and Devils Night by Meg Winston
