

The Devils Deputy (LIN) (Linford Western)

On that fateful day, the town of Ridge Pleasant forgot its name and became instead a gory battlefield, when the bank was robbed and the popular sheriff was left coughing up blood on the street. Who would form a posse to hunt down the thieves? Into the fray stepped Duke Pitson, a professional gambler with a mysterious past. But it would be a struggle to the death before Duke, with all his gun-skills and determination, could bring peace to Ridge Pleasant again.
