

Three Men and a Woman: Haidee (Siren Publishing Menage Amour)

[Menage Amour: Erotic Menage a Quatre Romance, M/F/M/M, consensual BDSM, ice play, sex toys, HEA] Flight nurse Haidee Wells escapes a broken heart by taking a temp job in Montana. Though she's sworn off men, she can't help the attraction as she meets one, then two, then three hot pilots. She's sure she can resist them until the moment she learns of her former lover's final betrayal. Vashi is there, and, reeling, she lets him take her to his wicked play room. Haidee is lost in Vashi's dominant sexual power when suddenly, Lev is there too, his body hard against hers. Mindless, she gives herself up to both men. Then Danya arrives and rescues her, and she learns the three men are the Vanchenko brothers. Sweet Danya loves her, but powerful Lev and domineering Vashi... aren't done with her. The three brothers know how to share, and soon it's not just her body, but her heart they all want. Find her courage, they urge, and accept the three men she loves. How can she deny them? **
