

The Seven of Diamonds

The poker game Michael Tirrel won out on the plains was the unluckiest game he ever played. With the new clothes he won from the stranger - and the valuable diamond stick pin - Tirrel became target practice for bullets all the way from the plains to Los Cavallos. When he got into town, he found out why. The man whose clothes Michael now wore had stolen the diamonds from the dangerous outlaw Bramber. Tirrel knew Bramber had already killed one man for the diamonds - and he also knew that as long as the diamonds were his, he'd be next.
