

Stone Transformed (The Fraternity - #18)

Changes are in the wind for the pair of lovers, some planned, some not. And the two independent men are learning how to rely on their partner in coping with whats happening. But this is Matt Stone and Gil Walker, two pretty hard headed men. Theyve been given incredible opportunities but at the end of the day, it doesnt matter how nice the house is theyre living in since its still Matt and Gil, the crew, teenagers, Bell the overly indulged retriever along with enemies, both new and old. And Matt Stones life continues to be transformed.
