

Five Star Detour

Freelance courier John Hathaway just wanted a weekend away: two days of wine, women and high stakes poker. Instead, he finds himself diverted to an English-style mansion in the backwoods of Maine-compelled to transport a priceless trinket at the bidding of his overbearing uncle. Once arrived, he quickly finds that half of the residents are not who they say they are, and all of them want his package. Its up to Hathaway to sort through the confusion, dodging cops, jewel thieves and his own bodyguard. In the process, he will meet the woman of his dreams and manage to deliver just the right amount of chaos into his hosts otherwise humdrum life.
