

Cocaine Memoirs...a Novel

Cocaine memoirs is a roller coaster ride through the insane world of Anvil. A long road trip seems to be never ending after every encounter with everyone he meets becomes another twist in the trip. The trip to Key West Florida in search of His late fathers ex wife Margaret. The mission to find Margaret and give her a set of letter left behind by Javier with instructions to find her. The redemption is the ghost of Anvils father coming along for the ride and the ghost of his mother who Anvil has never seen. The ride is from Pennsylvania to Key West, with stops in every state for another exciting twist. The motivation is to find Margaret and to locate his ex girlfriend and reunite with his son. Ending with Anvils inspirational reunion, and the becoming of his new future.
