

The Italians Bride (Mills & Boon Modern) (A Mediterranean Marriage, Book 3) (Mediterranean Marriage series)

Knowing that the powerful Verdi family can easily take her baby son away if they wish, Portia Makepeace has no choice but to go with Lucenzo Verdi to his home in Italy. He obviously thinks she is a gold digger, but to her horror Portia finds herself falling in love with him! So when he offers to make her his bride does he believe in Portia's innocence, or are there other motives behind his hot-blooded embrace?
