

## Tributaries 2012

Mod Mobilian Press has something brand new but filled with a bit of the familiar as well and a promise for the future. Its our latest contribution to Mobiles cultural scene, a literary anthology named Tributaries 2012. This collection of work from 14 Mobile area literary artists contains prose and poetry, traditional styles and new, and shows theres no shortage of locals willing to carry on our sizable legacy of storytelling and artistic communication.
